

End Tab Filing End Tab Files

End Tab Filing has taken on a much more important role in today's office. Whether it is a doctor's, lawyer's, accountant's office or business of any kind, document security has become an issue. This is a result of the HIPPA Act and the PIPEDA Act.

All personal information now must be under lock and key according to these new government regulations. Global's End Tab Filing provides the security that you demand, in a variety of heights, in our easy to access 9100 Plus Series.
