# WIND TABLES™

3875 Wind Meeting/Dining Table

Classic, contemporary and refined are the words most often used to describe the Wind Table series. Wind Tables are available in coffee and end table formats as well as standard-height meeting or dining tables. Polished chrome legs support slim profile tops in square or round configurations. MDF table tops are available with epoxy finishes that feature a reverse waterfall edge or in any standard Global laminate finish with square edge detail. Bases are standard in Chrome with optional Tungsten, Charcoal and Black.
